Market Update Fall 2009

As summer has to come to an end, so does our great "Summer Special". Be sure to take advantage of our attached "Summer Special" coupon before it expires on September 30, 2009.

Quick Tech Graphics would also like you to be aware of the announced paper price increase that will be taking place on shipments as early as mid-September 2009. The bulk of these increases are \$2.00 per cwt. on the majority of grades.

We hope you have an exceptional fall season!

Regards,

Quick Tech Graphics
